

2023 MOA Fishing Guide

Where can you fish?

With a “NEW” Tribal Harvest License, (Fig. 2) you can now fish in five different wildlife management units as well as the Marine Zone (50mi) adjacent to those units. “See Fig.1”

These five units are:

- Willamette
- Trask
- Stott MTN
- Wilson
- Santiam “modified boundary”
- CTGR MOA Marine Zone

What can you fish?

With a “NEW” Tribal harvest license, (Fig. 2) you can now fish for all species that do not require a special ODFW fishing tag. Shellfishing coming soon! You are still restricted to all ODFW rules, including daily bag limits, gear restrictions, zone restrictions and seasons.

Grand Ronde Tribal Harvest License
NRD Monkey

Fig. 2 “New” Grand Ronde Tribal Harvest License”

The form is titled 'Confederated Tribes of Grand Ronde Harvest Card'. It includes sections for 'Salmon/Steelhead', 'Trout', and 'Hatchery'. Each section has a table for recording catch dates and quantities. There are also fields for 'Name', 'Address', 'City', 'State', 'Zip', 'Phone Number', 'Tag Type', 'Tag Number', and 'Valid Dates'. A large table at the bottom is for recording specific fish catches with columns for species, date, and quantity. The form includes instructions and a disclaimer at the bottom.

Fig. 3 Combined Angling Tag

For species that do require a special fishing tag, (salmon, steelhead, sturgeon and halibut) you can come to the Natural Resources Department to acquire a “Combined Angling Tag, or Hatchery Harvest Card” (See Fig. 3). Tags **MUST** be reported to Natural Resources within 30 days after tag expiration.

For in season ODFW regulation changes go to;
