SCHOLARSHIP APPLICATION REQUIREMENT
(Not Required for Vocational Students)

It is the goal of the Full Time College Program to assist students in obtaining their college degree with as little debt as possible. With the increasing cost of attendance at most colleges and universities it is likely that students will be required to seek funding in addition to Tribal funding to pay for the cost of attending college.

The Full Time College program requires students to apply for a minimum of one outside scholarship per year so students will have the opportunity to receive “free” money that can be used towards their college expenses and may reduce or eliminate the need for student loans.

I ______________________________ hereby agree to submit documentation verifying that I have applied for a minimum of one outside scholarship separate from the Tribe for EACH academic year I am requesting funding.

I agree to provide documentation showing that I have applied to a minimum of one outside scholarship to the Full Time Program prior to the first day of college classes for the term/semester for which I plan on attending.

The following items are acceptable forms of verification:

• Scholarship Award Letter
• Scholarship Denial Letter
• Scholarship Submission Confirmation Page
• Copy of Completed Application

I understand that if I do not provide the above required information, I will not receive Tribal funding.

I the undersigned have read, understand, and agree to abide by the terms and conditions of the Scholarship Application Requirement.
