

a platform with more meaning that most,
set in stone with a wooden post

a battle to gain back our rights,
for many lost cultural sites

removed again at the end of the season,
its meaning does not go without reason

to crack the code, find the date the fishing
slowed and the platform hit the road

from that date, subtract 8

a platform with more meaning that most,
set in stone with a wooden post

a battle to gain back our rights,
for many lost cultural sites

removed again at the end of the season,
its meaning does not go without reason

to crack the code, find the date the fishing
slowed and the platform hit the road

from that date, subtract 8
