

Confederated Tribes of Grand Ronde
2020-2021 School Supply Distribution

Before the start of a new school year, the Youth Education Department will strive to alleviate some of the financial pressure a parent/guardian can face when it comes to providing students with school supplies.

- A. **What:** Parents of Tribal member students needing school supplies will sign up online. A box of basic supplies (Backpack, paper, writing utensils, etc.) will be available at CTGR on a select date or will be delivered or mailed to your home.
- B. **Who:** The program is for all CTGR Tribal member students entering into kindergarten through 12th grade (2020-21 school year).
- C. **When:** Boxes will be available late August for pickup at the tribal campus Youth Education building. Boxes not picked up on the selected date will be delivered or mailed at a later date. Students living out of the local service area (Grand Ronde, Willamina, Sheridan) will have their boxes mailed to them.
- D. **Have Questions?** Please contact the Youth Education Department at 503-879-2101 if you have questions.
